Strong young voices in an anthem loudly now we raise,
Long in justice, love, and duty, sounding out thy praise.
Ferguson, Ferguson, highly reign thy name.
Ferguson, Ferguson, mighty in every game.

May thy spoil, be thy toil; honor evermore.

The Board of Education has six members, two of whom are elected annually by the public, for three year terms. They direct the financial and operational programs for the R-2 School District and also have a part in making the rules and regulations by which the R-2 schools are governed. Due to the fine work of these members and all others connected with the Board, our school has been able to maintain continuous membership in the North Central Association of Secondary Schools and Colleges and has repeatedly been awarded a triple "A" rating by the state of Missouri.

Student Council is our school's representative body which is composed of representatives from the fourth hour homerooms and the Executive Committee. The entire Student Council holds its legislative and learning sessions during third hour on Mondays, Wednesdays, and Fridays, while on Monday afternoons after school the Executive Committee holds their meetings.

From Student Council branch the organized Committees which execute various services throughout the school. Each committee chairman gives a regular report to the general meetings and from there, the Representatives take the committee reports to the homerooms.

This year, Ferguson was President of the Suburban Association of Student Councils. The FHS Student Council was also host to a workshop which was held for the Suburban Association on November 19.

"Idents," "pink sheets," "copy A," and the ever present "dummy" . . . To find out what these terms mean, ask a member of Crest Staff, for these are the terms used every day in the production of your yearbook, the Crest. To complete that job, the staff, under the sponsorship of Mr. Krause, meets at least two days a week after school and sometimes in the evenings, working on copy, "idents," and, in general, putting the yearbook together. The eleven seniors on the Staff, and those juniors added at the semester as apprentices, are responsible not only for the yearbook, but also for the refreshments sold at the home football games and for the Crest coronation. This dance, held in early February, is marked by the crowning of a Queen, elected by the entire student body.

Got a problem, Griff?

Terry, your Crest sign is showing.

Jane, you don't look guilty enough.

Don't knock him off, Mr. Krause, that camera is expensive.

That's your mistake for the day.

The key word in Scoop staff's task this year was "offset," the name of the new printing process used. This change in procedure brought with it "headline straighteners" and "earlier deadlines" as well as a procedure called "paste-up". With Mr. Hoehn, sponsor, and Editor Barb Bowman in charge, the Scoop covered school events and activities as well as editorials and a variety of features. In addition to the publication of the newspaper, Scoop, for the first time this year, sold book covers!

Being a member of the N.R.A. qualifies these riflemen to be eligible for medals for outstanding performance from the Association.

Formerly called the Debate Club, the members of the National Forensic League Chapter must earn 25 NFL points to be eligible to become a member of the league. They can get these points by entering into interscholastic speech activities. By the end of the year, all members hope to have earned all their points.

Students interested in writing have formed the Creative Writing Club in order that they might meet together to read and discuss poems or stories they have written. The club meets and serves refreshments every other week at the home of their sponsor, Miss Nichols.

Choir

The Ferguson High School Choir, under the direction of Mr. B. C. Bundy, meets daily, as a class, during fourth hour. At the Christmas Concert, the eighty voice Choir performed selections from Handel's "Messiah," and was accompanied by the String Orchestra, a small Band ensemble and organ. On December 21, a Christmas Assembly was presented by the speech and music departments, with a forty voice ensemble singing Ringwald's "A Song of Christmas." Among the works performed at the Spring Concert were Brahm's "Requiem," Randel Thompson's "Alleluia," and "Jesu, Priceless Treasure" by Bach. It is from this organization that smaller choral groups are selected.

County Chorus

The County Chorus is a group of approximately eighty voices who have been chosen through auditions held by the Chorus' musical directors. Their practices were held at Ladue High School twice monthly, and the group performed for two organizations in April. One was the State Teachers' Meeting, and then, they also sang at the County Festival.

District Band

Dear,
I know you

happy because your
smart, and cute, and
get along
nice with people
Greg

This was the second year that The All District Band has been formed from music students of the High School and Junior High. During the past summer this organization gave a series of enjoyable concerts in Wabash Park, and they also played at the County Spring Festival.

Majorettes

Miller, Miller, Mullen, Mooney, Hetman.

The marching band, made up of both high school and junior high students, started in the summer to prepare for the performances in pep rallies and at the football games. They were led by Mr. Bundy, with the drum major, Nick Bridges, and the Majorettes. In addition to this group there was also a combo which played at some school dances and other events. The concert band performed more classical music at concerts. Among these three groups, therefore, were represented almost every phase of band music—jazz to marching music, to semi-classical and classical.

District Orchestra

The high school students, and those students chosen from the McCluer Junior High by Mr. Plavnick, compose the District String Orchestra. Although formed mainly for their own enjoyment, they do perform at the Spring Concert in May and also at the County Festival in March.

The String Orchestra, which meets as a class during first hour, has, as its director, Mr. Plavnick. They study some theory in class, but most of their time is spent in learning and practicing music for the Christmas and Spring Concerts, and County Festival. Besides presenting their regular program at Christmas, they also accompanied the Choir in portions of the "Messiah."

The String Quartet practices after school during the week and has, as one of its performances, the County Festival, which is in March. Composed of interested orchestra members, the Quartet concentrates on playing chamber music.

Together, the thirty-seven members execute their plans for the Junior-Senior Prom which is usually held in May. The Prom is financed mainly by profits from candy sales and reservations for outsiders who attend the dance.

Quill and Scroll

Quill and Scroll is the national honor society for Scoop and Crest members. These students, who must be in the upper third of their class and be recommended by their sponsor, receive a gold pin and a Quill and Scroll Magazine subscription.

Those students selected for membership in the National Honor Society are in the upper third of either the Junior or Senior class. The faculty bases their selection on four main qualities: scholarship, character, leadership, and service. The new Society members were installed and received pins during a special school assembly held in March, and also, they gave a program of recognition for the Parents Club.

Library Assistants

The Library Assistants are chosen by Mr. See to assist him with the various tasks of maintaining the school library. These students shelve books, check out students' books by the new electronic system, and are of general assistance to the students. For their work in the library, these part-time librarians receive one-half credit for the year.

The Office Assistants help relieve the duties of the Secretarial Staff by recording attendance, delivering messages to classrooms, and also by typing. A half credit is received by each girl for her work.

The First Aid Assistants, under the supervision of Mrs. Dieselhorst, relinquish their study hall time to stay in the First Aid room. There, they care for those students who may have need of minor medical attention during the day.

"RESERVED"

Dear Sue,

I can't remember where or when we met, but however it was, I'm sure glad it happened! You are one of the sweetest, cutest girls I know and are also one of my very, very best friends and I hope you will remain my friend always. I know almost everyone tells you that you are sweet, cute, nice, smart, etc. when they sign your yearbook, but I honestly think this.

Do you realize we have never had a fight in the four years we have known each other? Isn't that wonderful? Remember all of those serious telephone conversations we had this year? And all of those silly notes we passed back and forth in all of our classes? Poor Cheryl! Remember (that's suppose to be remember) all those messes between the four of us that got me so worked up? Boy, we sure are queer! (I knew that would get you)

Queen Judy

I know you don't want me to say anything about you know who — but I'm going to! I just want to say that I hope everything works out between you two and that I hope the four of us will have loads of fun this summer. I think you both go very well together.

We're going to have lots of fun this summer! We can go swimming, go to Holiday Hill, play tennis, go to P. J. parties, jump on trampolines, go to church camp and "Y" camp, maybe even fly to Penn together. This is going to be a busy summer! It will even be better if the four (The Big Four) of us do things together!

I want to end by saying once again that you are sweet, cute, nice, smart, etc. and just all around wonderful. I'm not trying to be mushy or

I'd like to wish you all the luck in your next two years at T.H.S and especially the years following. I hope you reach your goal as a writer — I know you will. Keep up the good

Barb Flesch, Gary Sanguinet

On Saturday evening, February 25, 1961, the 27th annual Crest Coronation began. As each maid entered from the doorway of the large fairy tale castle backdrop, she made a very deep, full curtsy, and was then met by her escort who proceeded with her down the aisle. As each couple made its way to the north end of the boys' gymnasium, the Mistress of Ceremonies, Barbara Flesch described the maid's gown and the activities of her high school career. The Master of Ceremonies, Gary Sanguinet, told of the activities and achievements of the escort. This year, an honorary maid was added to the Court. She was Marissa de Almeida, our foreign exchange student from Brazil.

When all nine couples had assembled under the royal canopy, Tammy Simons, flower girl, and Steven Griffith, crown bearer, smilingly entered, thus preparing the audience for the Queen's entrance. The spotlights fell on Miss Judy Ann Farmer, Crest Queen of 1961. Mr. Gary Sanquinet crowned her and from that moment she began her official reign amid the audience's applause.

The Queen and her court then walked over to the old gym where the motif, "A Knight to Remember" was also carried through. There the first dance, "Misty," played by Jim Muckerman's Counts, was reserved for the Queen and court.

Exchange Student Program

Supported by the students and by the community through the Students Abroad Corporation, the Exchange Student program has become an important part of life at Ferguson High School.

With the arrival of Marissa De Almeida as a student here, Buzz Stulac going to school in France, and with Jane Cook in Denmark during the summer, the program has been more active this year than ever before.

War Orphans

The students of Ferguson High School support, through the Foster Parents Plan, two War Orphans. The service Committee makes collections three to four times a year to provide these two children with the necessities of life and gifts on special occasions.

The pictures presented here are contrasts of the children when we first adopted them and as they appear now.

Five years ago FHS adopted a seven year old Korean girl. She is now twelve and lives with her mother and two brothers in a mud hut. The people in the picture with Yum Kwang Sook are Mr. Charles Bernhard, a former Ferguson High student, and her brother.

Ioanna Dimakopoulou was adopted by us two years ago. She is now eleven and living with her mother, two sisters, and a totally incapacitated father. The family is completely dependent upon us.

Varsity Football

Having the best season since 1957, the varsity football team turned in a respectable 5-3-1 record which was good enough for fourth place in the-always tough-Suburban League Big Seven, ahead of Riverview, Normandy, and Webster Groves. Although the team was the smallest ever to play here with respect to individual size and weight, they had very good speed and exhibited fine spirit as they again outscored their opponents 119 to 112 points.

High points of the season would have to include the hard-won victory over a good, big Webster team which included a successful four-down goal line stand inside the three yard line. The non-league win over Brentwood proved to important as they went on to be undefeated and untied champions of their league. Probably the most gratifying event of all was the happy finale which saw the Comets defeat Normandy for the first time since the 1953-1954 season.

This squad's success was a typical "team effort," but it should be mentioned that junior quarterback, Steve Ritchie, broke almost all of the previous individual passing records while junior halfback, Steve Mastroianni, set new records as a pass receiver. Captain Jim Lawrence and Jack Grbcic were the most dependable linemen both on offense and defense while the backfield standouts must include rapid, Eddie Hill, tough and wiry, Clayton Beattie, and our fine kicker, Dennis McReynolds. Rocco Vitale showed excellent team spirit as he moved at mid-season from end to strengthen our tackle position; he may have been one of the best ends in the area.

Sophomore Football

The Sophomore Football team ended their year with a 5-1 record. The boys proved a co-operative team and, due to this, ended their season with this excellent record. The only loss was to Kirkwood, a very strong team. The following are the final scores of all the games.

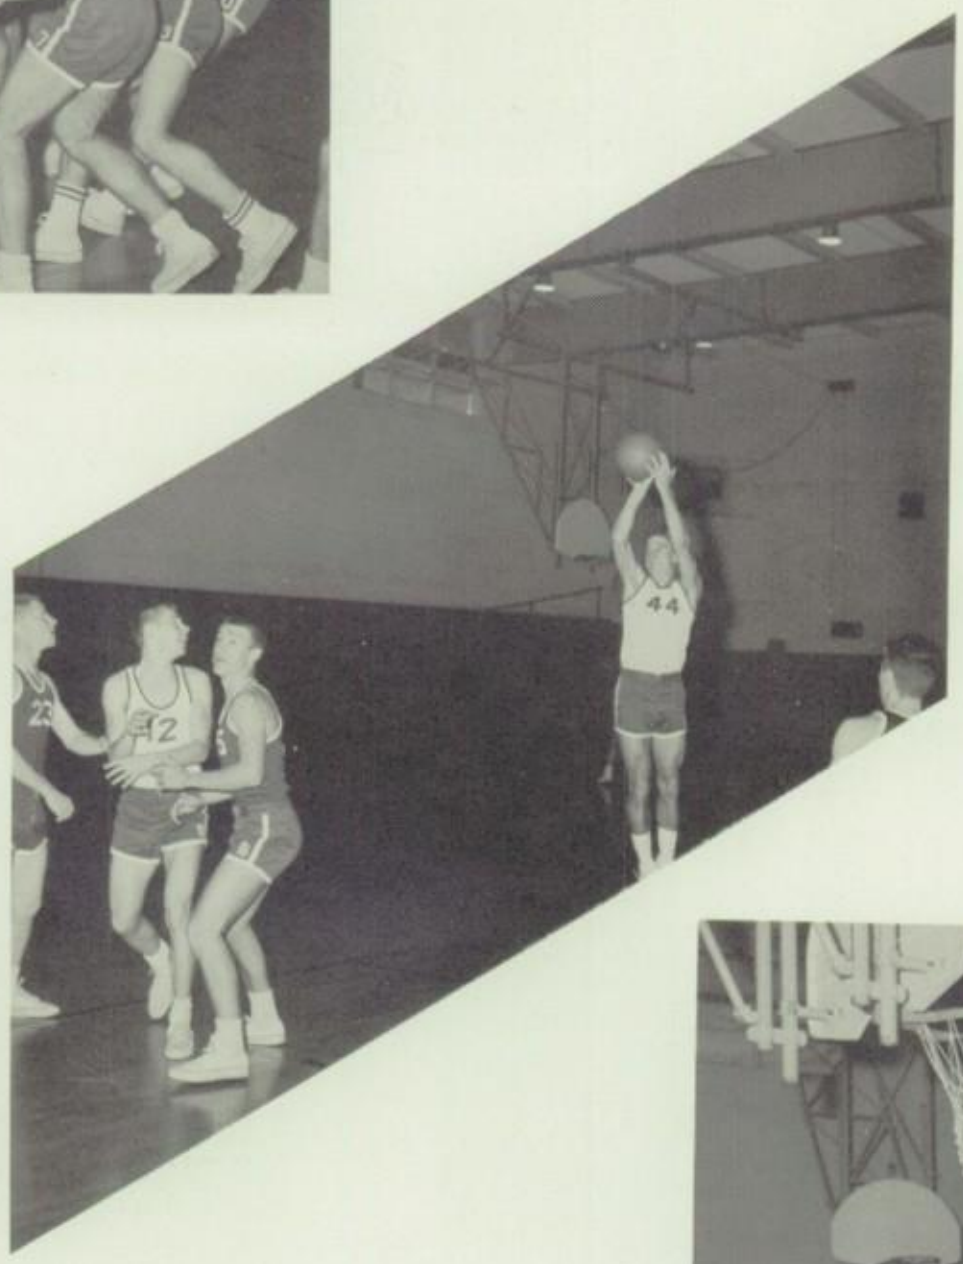
Homecoming

The very successful 1960 Homecoming festivities began on October 20, with a parade and pep rally. In the parade two gaily decorated floats carried the Cheerleaders with our victory bell and the pompon corps while the maids proceeded them. Following the parade was a rousing pep rally on our football field, and the large crowd attending saw the pompon corps perform for the first time. Friday night brought the reason for the Homecoming—the game. Although the team played an excellent game, Ritenour won by a score of 20-13. The dance on Saturday night with the theme "Blast Off With the Comets" brought the crowning of the queen, Becky Hoeltzel, and climaxed an exciting weekend.

Basketball



Varsity Squad

Due to its growth in the past few years, FHS is now a member of the Big Ten League for St. Louis County teams. Ferguson's basketball team has kept improving to keep pace with the tremendous growth in population. Last year the Comets were nosed out in overtime by Normandy, keeping them from going to the State Finals by one game. This year, although the Comets had their troubles early in the season, they were again pointing for the State Tournament.

Next year, with the addition of Rodger Robinson to such varsity players as Harvey, Pesek, and Chambers, FHS should do very well.

Row 1: Robinson, Winget, Harvey, Hussman, Jacobi, Spillenkothen, Bieber. *Row 2:* Kehoe, Stewart, Chambers, Degeneff, Strassner, Jones, Martin, Kuhlmann, Wilmes, Hill; Pegram, Pesek, Haynie.

Sophomore Basketball

Row 1: Trocer, Schlueter, Behle, Dekman, Ollar, McGuire, Munro, Schuerman. *Row 2:* Lundvull, Martin, Bidge, Waln, Wright, McKinnis, Biebel, Murphy, Jeffers, Dippold.

This year's B-team had a most encouraging record this year with 15 wins and 6 losses, and in the B-team tournament, the team was eliminated by the narrow margin of 1 point to the Riverview club, which they had earlier defeated by 25 points.

Next year's varsity squad should profit by the addition of many of the members of this team, since the boys were so capable this year, that the team was able to advance in basketball technique beyond that of the average B-basketball team.

Season Records

The season's overall record consisted of 15 wins and 6 losses. The team participated in the B-team tournament competing with the other members of their league and were eliminated in the semifinals.

The overall Record for the Season was 13 wins and 12 losses, with the record for league play as 3 wins and 6 losses. The team took second place in the Riverview Regional tournament and consolation prize in the Webster Tournament.

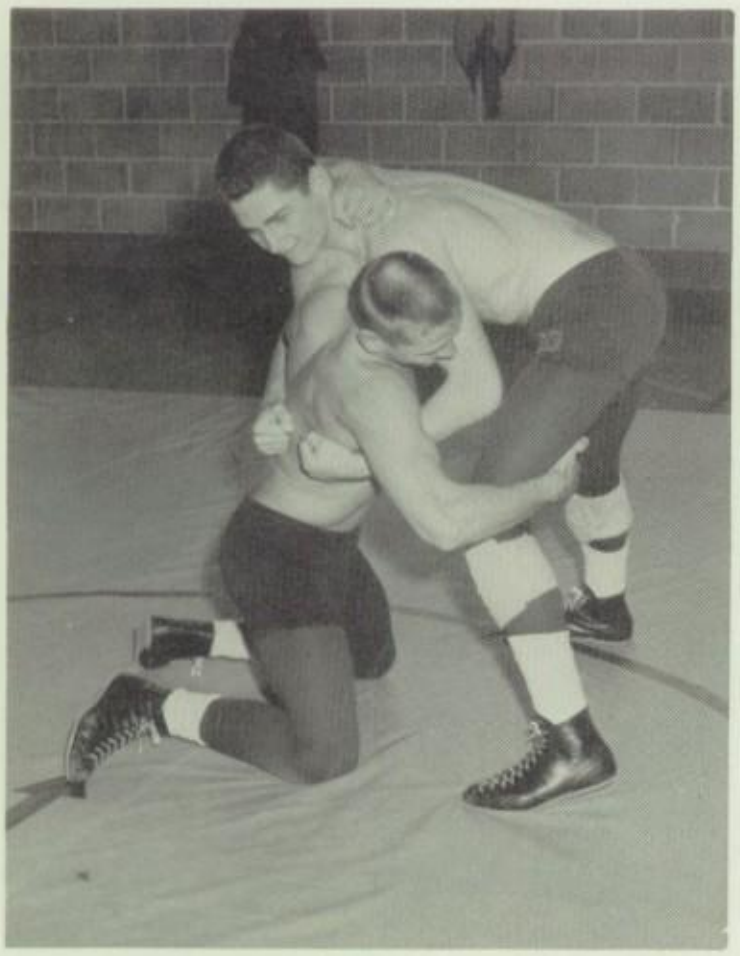
Harting, B. Harting, Harper, White, Geske, Mastroianni, Rohn.



As of now, the wrestling team has had a very profitable season having ten wins and only two losses with three of the boys undefeated: Clayton Beattie, Larry, and Terry Caldwell. In the Riverview tournament against Normandy, Ritenour, and Riverview, Ferguson took first place in a very close meet. Improvement has been shown in every match and we should finish no less than second in the state tournament, with our position being determined by the outcome of our last match of the season with Ritenour — last year's state champion. The main problem for this year's team has been weight, which, along with the fact that many of our outstanding lettermen graduated, has hurt the team. Coach Perry has taken over coaching the team and has done an excellent job with the boys.

The varsity baseball team for 1961 has very good prospects for the coming season. With the help of such returning lettermen as Bob Degeneff, Steve Jacobi, Bob Spillenkothen, Harry Hussman, Ken Dreitlein, Bill Miskelly, John Green, Dennis Kennedy and Dennis Bruno the difficulties involved in winning their eighteen scheduled games will be greatly lessened.

Dear Sue

This year has been very enjoyable mainly because of my relationships with you. I hope I see you in the summer so we can try our golfing abelity together. I would also like to make a date with you for playing tennis and going swimming this summer.

I would like to wish all the luck in the world to the sweetest girl in the world and also one of the smartest.

Fine things seem in prospect for the 1961 track team. Coach McDaniels can rely on such returning lettermen as Dean Wiley and Clayton Beattie from last year's strong team which won all of their dual and triangular meets. Long and Robinson are two of the many team members who show promise, and there are many good dash men to choose from.

Row 1: Bleiler, Copeland, Ellerbusch, Schoonover, Ameling, Stoops, Monachella, Agnew, Autrey. *Row 2:* Snider, Byrn, Pegram, Masta, Kaege, Reed, Hagan, Dubbs, Calati. *Row 3:* Shelton, Finney, Patterson, Niclotti, Bangert, Ames, Isherwood. Under the supervision of Coach Hoemann, this year's tennis squad should present a strong obstacle against any opposing squad. With the added experience of such returning players as Dale Crawford, John Davenport, Pete Connelly, Les Robinson, Rick Selle, John Clark, and Ken Geske, we feel that they will have little trouble in achieving the highest of goals.

Swim Team

Row 1: McKee, Pitliagnas, Drummond, Schaffer, Connelly, Smith. *Row 2:* Woodard, Masta, Grover, Shelton, Belleville, Stoller. *Row 3:* Queen, Coach Borgstede, Gillies, Heggerty.

This year is the first year for the Boys Swim Team with Mr. Borgstede, the principal of New Halls Ferry School, as their coach. Although the team is not an officially sanctioned activity since they have no place to practice, they compete with other schools in meets once or twice a week. Actually, the team is just a group of boys who like to swim and can do it well.

One of our hardest working organizations is the Pompon Corps, a sub committee of Pep Club, which meets twice a week. This year their first performance was given during the Homecoming weekend, both at the Rally and the game itself. They also performed at three basketball games throughout the winter and finished off the season at Kiel Auditorium, where they presented a program during the half-time of a Hawks Basketball game.

Now I may wither into the truth."

Aww, I'm sorry you're having a hard time with it. Remember, it's only a phase. Everyone goes through it. Just remember that you're smart, beautiful, and talented and you'll get through it. Best of luck to you in all your endeavors. I know you will succeed in whatever you do. Keep your head up and your chin high. Always remember that you have friends who love you and care about you. Hope to see you soon. Love ya, Mandy

Good luck Sue

sure you'll enjoy it.
Don't show everybody

fun knowing you even

Advertisements

To The Student . . . . .

As you finish paging through your annual, give more than a quick glance to the advertisers appearing on the remaining few pages. They have shown their belief and faith in Ferguson High School by advertising in our yearbook. Show your appreciation to them by reading their ad messages and stopping in to see them. They deserve the undivided patronage of the student body.

Our final appeal to the readers of the CREST is: SUPPORT OUR ADVERTISERS. You will find that your dollar will buy just as much from them as from anyone else.

Hope I see you next year

To one of the good 'uns from one of the bad 'uns.
Darrell Phillips

The book that you have been reading represents a year's work by the twelve members of our staff, a year full of picture days, copysheets, "less talk, more work," and that deadline that was so hard to meet. Sometimes there was doubt that we would make it, but we did. You hold the result, a CREST that we like and hope that you will enjoy. We hope our theme, the focusing of your attention on life, was recognized and used; and that when you open your 1961 CREST sometime in the future, you will remember the friends you made, the fun you had, and the things you learned this year.
